Subject :DFARS Specialty Metals  
Class Deviation 2008-O0002

To Whom It May Concern:

D.B.Roberts Company is 100% committed to supplying DFARS compliant products when requested. D.B.Roberts has implemented the internal controls, which will ensure compliant products will be supplied to our Customers-if available.

D.B.Roberts is not a manufacturer and we do not purchase raw materials. We purchase finished product and resell into the market place. As a distributor, our ability to supply compliant products is limited to the capabilities of the manufacturers whose produces we sell.

The manufacturers that we deal with are very much aware of the Class Deviation 2008-O0002 and many of these manufacturers are telling us that more than 50% of their purchases of specialty metals will be made from domestically melted specialty metal.

Any requests relating to DFARS compliant products should be sent to your sales representative so they may process your request as a valued customer in a timely fashion.

At your request D.B.Roberts can send you copies of specific manufacturers statements regarding DFARS Specialty Metals Class Deviation 2008-O0002.
