Subject: Earthquake, Tsunami, and Nuclear event in Japan

Microplastics Inc. has received a large number of customer requests concerning our Companies capability to continue supplying our products in a timely fashion, without interruptions, in light of the earthquake, tsunami, and nuclear reactor events that have occurred in Japan.

Please accept this document in response to your concerns, that none of our raw material sources or our manufacturing operations are in any way impacted by these events. Microplastics Inc. will continue to supply your plastic components needs without interruption.

If you have further questions or concerns on this issue, please feel free to contact our Customer Care Department at 870-453-2261.

Sincerely,

Dan M. Nelson

Vice President of Operations / Foreign & Domestic
