

NOT ALL HOLES ARE ROUND.....

There are many holes in the world, and not all of them are round. Heyco offers a wide variety of hole plugs including plugs for oval, rectangular, square and "Double D" holes in any color you need. If you can't find what you need, contact Heyco's Customer Service Department at 800-526-4182 and ask us to **Axcell**®-erate your hole plug requirement.

Please see the Hole Plugs section on our website at www.heyco.com where you can also order FREE samples of our hole plugs or any of Heyco's other products.
