Heyco Quick Twist Assembly Tool

For Use with Heyco Quick Twist Fittings

- Makes installation of Quick Twist Fittings into Heyco-Flex I and II Tubing fast and easy
- Ergonomic foam grip covers the steel socket for installer's comfort

Heyco-Flex™ Quick Twist Fittings with Finishing Collar Included*

*Collar not assembled

- Finishing collars to neaten rough cut tubing edges
- One piece solution with smooth internal surfaces provides for easier wire routing, protection, and installation
- Easy, permanent assembly: the installer twists the tubing over the connector ferrule
- Fittings are for use with Heyco-Flex™ II Liquid Tight Tubing
- Unique locking fingers on Snap-In Hubs accommodate various panel thicknesses
- All nylon construction is resistant to salt water, weak acids, gasoline, alcohol, oil, grease, and common solvents. (This feature not assessed by UL certification and testing)
- Suitable for a wide array of electrical applications:
 - Commercial and Industrial HVAC Systems
 - Motorized Equipment
 - Enclosed Power Sources
 - Garage Door Openers
 - Major Appliances
- Standard color: Black fitting with black collar
