

Southco® Push to Close Latch

Door Stay, Click

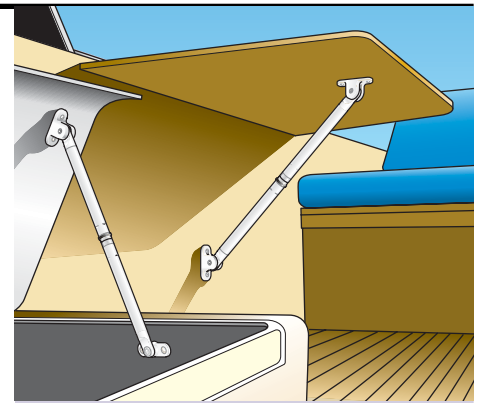

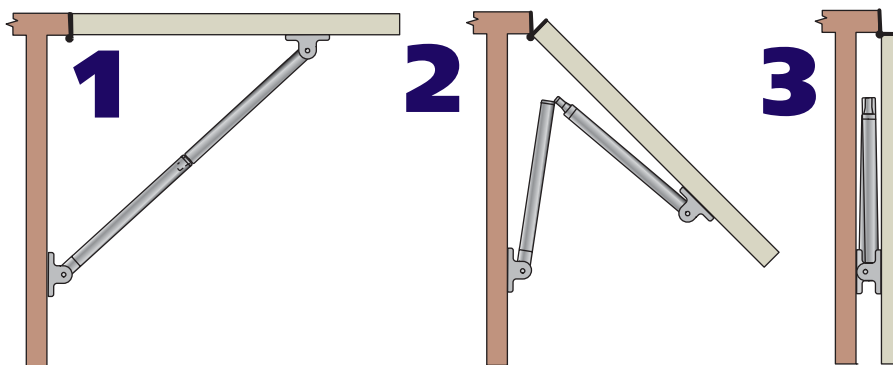

- All corrosion resistant materials
- Stylish design accents applications
- Resists accidental tripping

The Click is designed to hold tables, navigation tables, cool boxes, etc. upright and level. It automatically locks when the table is folded up, and does not trip if the table is un-intentionally lifted. It protrudes only 22mm (7/8") when folded, so there is no need for a shelf to hold the table out from the wall.

Base bracket at both ends	Length		PART NUMBERS
	330 mm	13"	MT-05-330-6
	480 mm	18.9"	MT-05-480-6

Operation
