

# Heyco® Solar Cable Solutions

One clip, two different cables – for Enphase Q cable or SolarEdge

Style	Description	Application	100 Pack	Bulk Pack
PV Module Solutions	 <b>SunRunner® Clip</b> – Clips onto PV module frames between .06” and .09”	Will hold up to 2x SolarEdge cables or 1x Enphase Q cable	\$6405	\$6445 (4000 pcs)
	 <b>SunRunner 4 Clip</b> – Clips onto PV module frames between .06” and .13”	Will hold up to 4x SolarEdge cables or 3x Enphase Q cables	\$6443	\$6483 (2000 pcs)
	 <b>SunRunner 90-4 Clip</b> – Right-angle design for modules in “landscape” mode	Clips on PV module frames between .06” and .13” – Will hold up to 4x SolarEdge cables or 3x Enphase Q cables	\$6439	\$6479 (2000 pcs)
	 <b>SunRunner 90-2</b> – Right-angle design for modules in “landscape” mode	Clips on PV module frames between .06” and .13” – Will hold up to 2x SolarEdge cables or 1x Enphase Q cable	\$6436	\$6476 (3000 pcs)
	 <b>SunRunner Vidrio™ Clip</b> – Holds with compression force only for frameless PV modules	Will hold up to 2x SolarEdge cables or 1x Enphase Q cable	\$6460	\$6500 (2000 pcs)
	 <b>SunRunner EZ Clip</b> – Clips onto PV module frames between .09” and .25”	Will hold up to 2x SolarEdge cables or 1x Enphase Q cable	\$6407	\$6447 (3000 pcs)
Top Rail Solutions	 <b>SunRunner 4-2U Clip</b> – Works with Unirac, IronRidge, and similar rack profiles	Will hold up to 4x SolarEdge cables or up to 3x Enphase Q cables	\$6505	\$6545 (2000 pcs)
	 <b>SunRunner 4-2 Clip</b> – Works with Everest, SnapNrack, and similar rack profiles	Will hold up to 4x SolarEdge cables or up to 3x Enphase Q cables	\$6504	\$6544 (2000 pcs)
Other Solutions	 <b>Helios UVX Clip</b> – for .260” mounting holes and panel thicknesses from .028” to .250”	Will hold 2x SolarEdge cables or 2x Enphase Q cables (one on each side)	\$6520	\$6560 (1000 pcs)
	 <b>Heyco®-Tite Liquid Tight Cordgrips</b> – for Enphase Q Cables			
	<b>M3231GCZ</b>	Will provide liquid-tight entry for 1x Enphase Q cable into a 1/2” NPT hub		
	<b>M3234GDA-SM</b>	Will provide liquid-tight entry for up to 2x Enphase Q cables and 1x #8 solid grounding cable. Utilizes our skinned-over technology so any unused holes retain a liquid-tight seal.		
	 <b>Heyco®-Tite Liquid Tight Cordgrips</b> – for SolarEdge Cables			
	<b>M3234GBS-SM</b>	Will provide liquid-tight entry for up to 3x SolarEdge cables into a 3/4” NPT hub. Utilizes our skinned-over technology so any unused holes retain a liquid-tight seal.
