

# MANUFACTURING

## PRECISION

With over 6,000 products in our general catalog and opportunities to customize components, we take pride in bringing you a vast selection of products ranging in function, size, and material. Machines are under constant use and need high-quality and durable components that will withstand the test of time.

Sugatsune offers a comprehensive lineup of components hardware with high load capabilities, quality, and precision. From hinges and lid support to catches, latches, and linear glides, Sugatsune has provided solutions to OEMs, and design build firms in the U.S. for over 40 years and continues to maintain stock locally in the U.S. for your convenience.

## HINGES/ LID SUPPORTS

Spring Loaded  
Pivot Hinges  
HG-PV60AC

Dual Axis Torque  
Hinges  
HG-T30S15, HG-T70S30

Lift-Off Torque  
Hinges  
HG-KNT

Power Assist  
Hinges  
HG-PA Series

Swivel Torque  
Hinges  
HG-S Series

## HANDLES

Extruded Aluminium  
Handles  
ALH

Handles  
SJH

Handles  
MJH

Aluminum Pipe  
Handles  
MTH

Design Door  
Handles  
MDH-PC

## LEVELING GLIDES & CASTERS

Bearing Rollers (HD)  
JS300

High Durability  
Urethane Wheels

Ultra Heavy  
Duty Leveling  
Glides  
SDY-TRSB,  
MKRLS, MN

## CATCHES & LATCHES

Ultra-Thin  
Magnetic Catches  
MC-159

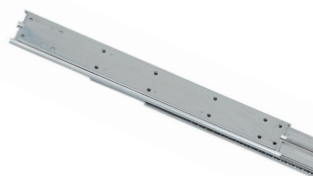

Stainless Steel  
Lever Latches  
LL-66S

## LINEAR GLIDES & SLIDES

Aluminum  
Mini Slides  
AR3-16

Full Extension  
Slides  
ESR-10

Multi-Roller Linears  
MLG20, MLG-20C,  
MLG-20-P55-40

Glide Systems  
MRS Series
