

2025 HAEGER® BUY-BACK PROGRAM

Save thousands when you trade your old Haeger® or PEMSERTER® machine for a new model.

As older machine parts become obsolete and lead times increase on other replacement parts, now is a great time to take advantage of our buy-back program.

At-Risk Haeger® and PEMSERTER® Machines

Haeger® HP-6A/B/C/D, HP 2.5, HP-10

- Obsolete parts

All Haeger® 681-1 and 824-1 Models

- Up to 26-week lead time for parts

Haeger® 412, 516, 824 Plus, 824WT-1/-2/-3, 824OTL-3, 824OT-1/-2/-3 Models

- Up to 26-week lead time for PLCs and screen replacements

PEMSERTER® older Series 100, Series LT-4, Series 2000, Series 3000

- Minimum 26-week lead time for safety valves and seal kits
- PLCs no longer supported
- Main cylinder part no longer available
- Increasing issues with screen programming

How Our Buy-Back Program Works

1. Trade in your old Haeger® or PEMSERTER® machine
2. Purchase a current model
3. Receive a \$2,000 - \$8,000 discount when you purchase select models

BUY	SAVE
Haeger® 618™ PRO-AA	\$2,000
Haeger® 618™ MSP 5e	\$4,000
Haeger® 824™ MSP 5e	\$5,000
Haeger® WindowTouch® 5e	\$6,000
Haeger® OneTouch™ 5e Lite	\$7,000
Haeger® OneTouch™ 5e	\$8,000

Keep Your Production Line Running and Your Customers Happy.

Contact your [Haeger® representative](#) for more information and to start the trade-in process.
