

AEROSPACE

INNOVATION

The aerospace industry is defined by innovative and cutting-edge technology, and each aircraft requires quality aerospace certified hardware.

As an AS9120 Aerospace certified company, Sugatsune provides the aerospace industry with hardware to fit their needs in various applications.

From catches and latches, to cable grommets, hinges, dampers, and custom made parts, Sugatsune has hardware that will fit into design specifications and tolerances for the aerospace industry.

AS9120:2016
ISO 9001:2015
CERTIFIED

HINGES

Concealed Hinges
HES3D Series

Swivel Torque Hinges
HG-TS, HG-S Series

Tabletop Dual
Torque Hinges
HG-TMH

Detent Hinges
HG-YJ50

Torque Hinges
HG-IT

CATCHES & LATCHES

Flush Slam Latches
LC-48, LC-65

Tension Catches
BCTS

Push Knob
Latches
TLP, TLP-S

Non-Mag. Mini
Touch Latches
ESN-195-3.1, PR-4PK

Lever Latches
LL-66S, LL66

DAMPERS

Torque Dampers
UDH

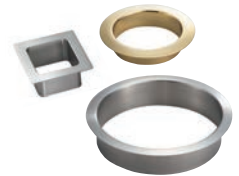

Rotary Dampers
One/Two Way
SRT-C2, SRN-C2

Disk Dampers
UDD, SDT

Stainless Steel
Ventilators
SAM, SAD, 1-1212, ASD

Multi-Purpose
Grommets
AN-KH, AN-DH, ANLH

GROMMETS

HOOKS

Recessed
Hooks
NF-60D

Recessed
Hooks
NF-47

Fastmount®
Standard Profile

Fastmount®
Metal Range Clips
