

NEW PRODUCT OFFERING FROM HEYCO

HEYCO LIQUID TIGHT SNAP-IN MULTI HOLE CORD GRIPS “HEYCO COMBINER BOX CORD GRIPS”

The Liquid Tight Snap-In Multi Hole Cord Grip offers the following benefits:

- Houses multiple wires at one entry point providing a liquid tight seal around each wire and at the panel
- Ideal when individual conductors for power or control are used rather than jacketed cable
- Secure “click in place” fit reduces tightening errors by installers
- Smooth, rounded interior edges allow for quick and easy installation
- Ratchet design of sealing nut assembly provides superior anti-vibration and ensures a firm grip on the cable
- Easy to install – no tools or locknuts required
- Unique fingers securely lock into a range of panel sizes without use of a locknut
- Rotation prevented when used in “Double D” mounting holes
- Limited intrusion into enclosure where access is tight
- Use in panel thickness range from .032” to .093”
- Nylon construction with TPE sealing glands that resist salt water, weak acids, gasoline, alcohol, oil, grease and common solvents
- Foam sealing washer included with Cord Grip
- Rated IP64 Protection Class (rain tight)

The Heyco Liquid Tight Snap-In Multi Hole Cord Grips can be used in the following applications: Solar Combiner Boxes, Industrial Equipment, Medical Equipment, Motors & Generators, Pumps, Control Panels, Hydraulic Lifts, Scientific & Other Instruments
